Dear Researchers,

I once more entreat you to expedite the review of Auvers,1890, your reference number: VGM-06907-K7Q1.

The painting is part of a collection exported by a Jewish collector under Nazi authority, likely under duress. Attempts to determine the history and identify of heirs are frustrated as scholars await the action of the Van Gogh Museum.

This present process began in April 2021. Please tell us when we may expect the decision of approval or rejection that we may get on with this important project. Please see the attached pdf.

Best regards,
